Dear Young-Key Kim,

I hope this letter finds you in good health. On behalf of those we serve, our staff, volunteers, and community partners, I'd like to extend my gratitude for your gift of \$4,200.00, which we received on December 22, 2020. Your contribution will help provide almost 10,000 nutritious meals for those most vulnerable during the pandemic - children, seniors, women and men - our neighbors, whether they are turning to us for the first time or are struggling with longer-term food insecurity.

The Capital Area Food Bank (CAFB) is committed to serving our community during this uncertain time. The food bank continues to respond addressing the growing need for food as an essential service provider – through over 200 pantry partners that remain open; 20 hub partners who have strong storage and capacity to serve more clients; Pop up Pantries in areas of great need as well as our own direct distribution Mobile Market and Community Marketplace sites to expand our recovery efforts even further. In addition, we continue to deliver emergency food boxes to our most vulnerable seniors and others.

We are all in this together so thank you again for your generosity and for your commitment to ending hunger for children, parents and grandparents in our region.

Sincerely,

Radha Muthiah  
President & CEO
